ABSENT FROM SCHOOL

If your student is ill or missing school, please call the office on the day of the absence or fill out the Absence Form on our website. If you are calling before or after hours, please leave a message on Wendy's voicemail. In this way, all the required documentation is taken care of and there is no further need for the parent to write a note or the school to follow up on the absence. If we do not hear from a parent within three days of the absence, then the absence will become unexcused.
